Anyone else other than Pax, tried intranasal deferoxamine or his personal stack? what are your observations?

>> ☐ **Anonymous** Sun Jun 19 18:22:47 2022 No.14585865  
Quoted by: >>14585888

everytime i come here i see a thread about this shit in the top row of the catalog  
  
and i sort by creation date

>> ☐ **Anonymous** Sun Jun 19 18:38:38 2022 No.14585888

[>>14585865](#)  
its the latest meme for the past few weeks  
  
it must be the signalling chemical glowies use to identify manipulatable sleeper agents, they're constantly hitting us with microwave laser bio scanners to track the kgb agents with their fancy poison, and since 2020 theyve been nuking

normal people in some kind of mass health experiment,  
probably just to expand their control
